

Hershey Eastern Fall

2025 Flea Market Info

Hold onto your hats boys and girls! An unexpected but welcomed opportunity has come to AACCA members who would like to be a flea market vendor at the 2025 Eastern Division Fall Nationals also known as the Hershey Fall Meet.

This year the Hershey Region is able to sell a limited number of flea market spaces onsite. You will not be in the official program book. You will be able to be a vendor as long as you follow all the flea market guidelines.

On behalf of all our members and the national club we want to thank the Hershey Region for going the extra mile to accommodate more vendors this year.

- You can only sign-up on Monday Oct. 6th on-site at the Fall Meet.
- You must be a AACCA National Member.
- You won't be in the program.
- You still need to follow all of the normal flea market rules.
- See the Details page for more complete information.
- See the Map page for the Car Corral Shed location.
- See the Flea Market Regs, and Sales Tax page for more info.
