RM Sotheby’s Auction

October 11-12, 2018

A featured attraction of the AACA Eastern Division Fall Meet, the RM Sotheby’s Group Hershey sale is not one to be missed. A mainstay on the auction calendar, the sale gathers collectors and hobbyists from around the world for an annual enthusiast’s affair at Hershey Lodge.

The 2017 sale was one of the company’s top Hershey events to date, with \$15.9 million in total sales and an incredible 96 percent sell-through rate. Results were driven by bidders from 20 countries around the world, and highlighted by several important private collections presented amongst the 140 cars on offer, including the Thomas F. Derro Collection, one of the Northeast’s greatest groups of American automobiles, and cars from the estate of the late Ralph Whitworth, the country’s foremost collector of hot rods and customs. The sale was led by the Derro Collection’s 1933 Pierce-Arrow Silver Arrow, the very first of just four examples and a mere three survivors, which brought a final \$2,310,000. The mix between cars with outstanding provenance against the backdrop of RM’s longstanding annual Hershey sale continues to provide the recipe for sweet success.

Known for its emphasis on significant Veteran, Brass and Classic Era American cars with fascinating histories, as well its presentation of important private collections, bidders can expect another hand-picked roster of more than 120 historic automobiles to go under the gavel at this year’s Hershey event.

For further information or to discuss consigning your important automobile, please call an RM Auctions car specialist at 519-352-4575 or [ww.rmsothebys.com](http://www.rmsothebys.com).
