## Antique Automobile Club of America

## 2019 Eastern Fall Nationals

Hosted by the  
Hershey Region AACA  
October 9-12, 2019  
Hershey, Pennsylvania

**The Hershey Region AACA**, host of the 2019 Eastern Fall Nationals, welcomes you to “Shifting Gears for 65 Years.” We encourage all members to register their vehicles for judging. A show plaque will be given to each registered vehicle when entering the judging field.

The judging of vehicles will begin promptly at 10 AM on Saturday. **Any vehicle arriving after 10 AM WILL NOT be judged.** Do not be late! Allow time for traffic flow. **All vehicles must remain on the judging field until released by the Chief Judge.**

All registered race car owners will be requested to demonstrate running condition on Friday in the stadium at 10:30 AM. All High-Wheeler owners should plan to participate in the annual George M. Hughes Trophy event at the stadium on Friday. Spectators are welcome, but must remain in the seating areas. The time for these two events may change due to weather conditions. Please listen for field announcements.

### **AACA National Headquarters**

During Hershey show week, the hours will be from 8 AM to 4:30 PM, Monday-Friday. Look for us on the Chocolate Field spaces C3H 5-7 from Wednesday to Saturday, as well as in front of the Giant Center Wednesday to Friday and near the show field on Saturday. National AACA merchandise and membership information will be available at all locations. Membership information is also available near the Hershey Main Tent on the Chocolate Field, Wednesday thru Friday. For information: 717-534-1910 or [www.aaca.org](http://www.aaca.org).

### **New National Headquarters Building**

By the time of this year's Hershey fall show, remodeling construction should be well under way. Many members have asked for a tour of the building but at this time, given ongoing construction work during the Fall Nationals, it is neither convenient nor safe to take people on tours.

We would suspect you will see major differences to the front of the building during the show. The parking lot is also not available for public parking due to the construction traffic during the week.

We hate to disappoint so many, but the first objective is to ensure the safety of the facility for the workers and us. Construction sites are not conducive to tours.

Cheer up, because by next year's fall show we should be completely up and running and ready to receive you.

Thanks for your patience.

### **AACA Library**

The AACA Library will hold extended hours during the week of the Hershey show. We will be open 8 AM to 4:30 PM Monday, Wednesday, Thursday and Friday; Tuesday from 8 AM to 7 PM (4-7 for Yard Sale). For more information: 717-534-2082 or [www.aacalibrary.org](http://www.aacalibrary.org).

The AACA Library will be selling a wide variety of duplicate material including sales literature, manuals and books. Location: 501 W. Governor Road, Hershey, PA 17033.

Stop by, say 'hi' and find a good buy!

### **RM Sotheby's Auction October 10-11, 2019**

A featured attraction of the AACA Eastern Fall Meet, RM Sotheby's Hershey sale is not one to be missed. A mainstay on the auction calendar, the auction gathers collectors and hobbyists from around the globe for an annual enthusiast's affair at Hershey Lodge.

The 2018 auction achieved \$11 million in total sales and an incredible 94 percent sell-through rate across two days. Representing one of the company's top Hershey performances in the sale's 12-year history, results were driven by bidders from 19 countries and highlighted by several important private collections presented amongst the 150 cars on offer, including the Calumet Collection, the Burdick Collection, and the Needham Collection. The sale was led by an authentically restored 1930 Cadillac V-16 Roadster, offered with well-known ownership history, which brought a final \$495,000, surpassing its pre-sale estimate. The mix between cars with outstanding provenance against the backdrop of RM Sotheby's longstanding annual Hershey sale continues to provide the recipe for sweet success.

Known for its emphasis on significant Veteran, Brass and Classic Era American cars with fascinating histories, as well as its presentation of important private collections, bidders can expect another handpicked roster of more than 150 historic automobiles and a selection of collectible memorabilia to go under the hammer at this year's Hershey event. Leading the 2019 sale is The Merrick Auto Museum Collection of Nebraska, comprised of more than 100 Brass and Veteran motor cars, including exceedingly rare and orphaned survivor cars, and offered entirely without reserve in Hershey.

For further information or to discuss consigning your important automobile, please call an RM Sotheby's specialist at 519-352-4575 or visit [RMSothebys.com/HF19](http://RMSothebys.com/HF19).
