

Miss Pennsylvania

Tiffany Seitz, 23, is a resident of Freeport, PA. She is a graduate of Grove City College with a Bachelor of Science in Entrepreneurship and minor in Communications. Her social impact platform is “Adoption Advocacy – Restoring Hope, Transforming Lives.” Tiffany was tested cocaine positive and addicted at birth, and not expected to survive. She resided in foster care before eventually being adopted, so her platform is extremely personal, driving her passion to

educate the public about fostering and adoption, ultimately helping children in the system to find forever homes and keep their dreams alive.

At the Miss Pennsylvania Scholarship Competition, Tiffany performed a Musical Theatre Jazz Dance to “Moving the Line” from *SMASH*. She was a preliminary award winner for Evening Wear / Social Impact.

As Miss Pennsylvania 2019, Tiffany will serve as the goodwill ambassador for all five Children’s Miracle Network Hospitals in Pennsylvania.
