

IMPORTANT 2021 PRE-REGISTRATION INFORMATION

Now that 2020 is almost history we are starting to work on the 2021 Fall Meet in which Ken Gamble will be the Fall Meet Chairman and Jay Robertson will be his assistant. We will be mailing the 2021 pre-registration cards and other important information around the 19th of December 2020. If you do not receive your packet in the mail by January 20th, 2021 you should call 717-566-7720 or email fallmeet@hersheyaaca.org. Please read the following important information regarding the submission of pre-registration cards:

***A current AACA Membership is required to pre-register flea market and car corral spaces. NOTE: DO NOT HOLD UP THE SUBMISSION OF YOUR PRE-REGISTRATION IF YOU HAVEN'T RECEIVED YOUR MEMBERSHIP CARD BY JANUARY 15TH. Write your AACA membership number in the space provided on the pre-registration card and submit it. We will research the AACA database to confirm your status.

***A "Space Relocation Form" will be enclosed in the packet. **This will be the only form accepted for relocations.** If you write your request on the pre-registration card, a separate sheet of paper; etc. it will not be accepted. Relocation assignments are made using the postmark on the envelope. The space(s) must be available after the pre-registration phase in order for you to be relocated. Due to COVID 19 there were no relocations achieved. A new relocation form will be needed for 2021.

***Pay close attention to the deadline on the card. Your spaces will be in jeopardy if the postmarked deadline is not followed. The registered vendor is responsible. (not the spouse, the assistant or the secretary to name a few of the excuses we hear)

***If your card or check is not signed it will be returned to you. That will also delay your postmark position for relocation.

***Checks deposited that are returned for insufficient funds, account was closed; etc. will be charged a \$35.00 administration fee.

***The dates and times for which our telephones will be staffed will be printed on the pre-registration card. If you leave a message please speak slowly and clearly leaving your name, telephone number and AACA number and a very short message.

*** Political signs, memorabilia, bumper stickers, pins, buttons etc. are not permitted at any National Meet. This should be considered the "suitable warning" for the following policy extracted from the Policy and Procedure Manual of the AACA. Vendors violating this rule will be expelled. Additionally, refunds of flea market spaces will not be given to the violators in accordance with the P & P Manual.

5.9.1 General (Excerpt from AACA Policies & Procedures Manual)

"Nationals are open to the general public. Therefore, their operation and conduct give the public its chief, if not the only, impression of us as a club. When flea markets are held in conjunction with National Meets, it is important that they reflect the family oriented nature of our hobby and are in keeping with their intended purpose, i.e. to provide a source of parts, accessories, and memorabilia related to our hobby. The meet host reserves the right to expel, after suitable warning, any persons including vendors who conduct themselves in a way that would reflect unfavorably upon AACA."
