## THE NB CENTER

FOR AMERICAN AUTOMOTIVE HERITAGE

### Saturday, September 14, 2024

540 Union Boulevard, Allentown, PA 18109

Please join us for a trip to Allentown to visit The NB Center for American Automotive Heritage. The NB Center's mission is the preservation of cars, knowledge and skills related to the American cars of the middle class. The 27 acre campus of the Center houses nearly 200 cars, restoration shops, Visitor Welcome Center, a library, photo studio and nearly 2 miles of roads for exercising cars. Not open to the public, the facility can only be viewed through group tours such as this. Walking is required to visit the exhibits. A few golf carts will be available for shuttling people between buildings.
