## 2021 Eastern Fall Meet

Hosted by the  
Hershey Region AACA  
October 6-9, 2021  
Hershey, Pennsylvania

**The Hershey Region AACA**, host of the 2021 Eastern Fall Meet, welcomes you to “We’ll keep runnin in 2021.” We encourage all members to register their vehicles for judging. A show plaque will be given to each registered vehicle when entering the judging field.

The judging of vehicles will begin promptly at 10 am on Saturday. **Any vehicle arriving after 10 am WILL NOT be judged.** Do not be late! Allow time for traffic flow. **All vehicles must remain on the judging field until released by the Chief Judge.**

All registered race car owners will be requested to demonstrate running condition on Friday in the stadium at 10:30 am. All High-Wheeler owners should plan to participate in the annual George M. Hughes Trophy event at the stadium on Friday. Spectators are welcome, but must remain in the seating areas. The time for these two events may change due to weather conditions. Please listen for field announcements.

### AACA National Headquarters

This year’s “Hershey” is going to be highly anticipated by so many of us. A year without our beloved event is nothing we ever want to experience again, so welcome back everyone!

This year, one of the anticipated treats for the fall show is the ability to visit the new national headquarters and library. Headquarters will be open Monday-Friday from 8 am to 4 pm. We will naturally have to limit the number of people in the building at one time. Parking is available onsite on Monday and Tuesday, but may not be for the rest of the week. We are still trying to figure out how to manage it. There will be a security guard at our entrance during the week. Please, we ask you not to park in our lot on Tuesday evening as there will be a function taking place.

Wednesday night we will have a dedication ceremony for the new building. The guests will have to be by invitation as we have local officials, contractors and special guests that will be invited. We wish we could invite everyone, but we simply cannot handle a large crowd that evening.

At the RM auction this year, we plan to have several custom built pedal cars which should blow you away. They will be sold to benefit the AACA Building Fund. We are so close to paying off this building project and hope that with your support we can accomplish this by the end of the year.

Look for us on the Chocolate Field spaces C3H 5-7 from Wednesday to Saturday, as well as in front of the Giant Center Wednesday to Friday and near the show field on Saturday. National AACA merchandise and membership information will be available at all locations. Membership information is also available near the Hershey Main Tent on the Chocolate Field, Wednesday thru Friday. For information: 717-534-1910 or [www.aaca.org](http://www.aaca.org).

### AACA Library

The AACA Library will hold extended hours during the week of the Hershey show. We will be open 8 am to 4 pm Monday to Friday. Special displays will feature antique automobile literature, memorabilia and models. Due to anticipated demand to see our new facility, the library will be open for tours and general browsing only. Research requests can be submitted for completion the week after the Hershey show. For more information: 717-534-2082 or [www.aacalibrary.org](http://www.aacalibrary.org).

### RM Sotheby's Auction October 7-8, 2021

RM Sotheby's Hershey Fall auction returns as a live, in-person event and we look forward to welcoming our visitors, clients, and fellow enthusiasts to the Hershey Lodge on October 7-8 for the wonderful affair we have planned. This year's auction will feature a wide variety of collector cars spanning the spectrum of the market. While the Brass Era and pre-war classics traditionally are seen at the auction will still be abundantly present, this year's offering will also see the addition of several other categories of collector cars including American muscle and racing cars, European sports cars and modern collectibles, ready to shift hands to their new owners.

A featured attraction of the AACA Eastern Fall Meet, RM Sotheby's is the sponsoring auction house of the AACA Fall events and the Hershey sale RM Sotheby's presents is not one to be missed. A mainstay on the auction calendar, the auction gathers collectors and hobbyists from around the globe where bidders can expect another handpicked roster of more than 150 historic automobiles and a selection of collectible memorabilia.

For further information or to discuss consigning your important automobile, please call an RM Sotheby's specialist at 519-352-4575 or visit [RMSothebys.com/HF20](http://RMSothebys.com/HF20).
